Chapter 1 by An9eldest

I look up as I see a dove flying high above me as I lie on the dry hot ground."Please take me with you!" I scream as it flies away from me into the sunlight."Haili.Haili.Haili wake up we need to get ready!" I wake up with a start and see my brother on my bed shaking me to wake up."Nngh,I'm up,I'm up!" He looked at me and smiled,"Good now get dressed." Then,I shoo him out of my room so I can change.I'm going to a new private school it's call "Nirvana Elementary" I still don't know much about it my brother enrolled me in it. I wrapped my new student ribbon around my wrist.As soon as I finished getting dressed I grabbed my bag and ran downstairs to see my brother already at the doorway with a waffle in his mouth. "C'mon I'm driving you to school." he said whilst getting his shoes on,I grab a waffle and put my shoes on. As we get into the car I see a little girl staring at me through the window.Creepy I thought,my brother looked at me confused,"What are you looking at?" I snap back into reality,"Nothing."
